2018 VICTORIAN MEN'S & WOMEN'S SAND GREENS CHAMPIONSHIP SPONSORSHIP PROPOSAL

Overview

One of the truly unique aspects of Australian golf is the challenge of playing on sand greens at one of many such courses spread throughout our rural communities.

To maintain involvement in and enjoyment of the game of golf within many country communities, these voluntary run clubs have created wonderful courses with limited resources. In recognising this commitment to the game and to provide a unique playing opportunity for all Victorian golfers, the Victorian Men's Sand Greens Championship (1972) and the Victorian Women's Sand Greens Championship (1975) were introduced over 40 years ago.

In 2018 and continuing the theme of conducting as many Men's and Women's Victorian State Championships either concurrently or as close together as possible, Golf Victoria is pleased to partner with Maldon Golf Club and stage the 2018 Victorian Men's and Women's Sand Green Championships over the same week. The Championships were first joined together in 2016 at Bannockburn Golf Club and then last year at Wedderburn with 204 golfers competing.

Each Championship will be played over 36-holes Stroke-Play with the Women's title contested on 5-6 September with the Men's event to follow on the weekend of 8-9 September.
